Austrian Icehockey Classic

Zeller Oldies est. 1980

The event

The traditional tournament of the Zell oldies is a sporting and social highlight, which takes place every 2 years for the 18th time. In addition to the sporting debate, the social aspect is the most important component of the tournament. Thousands of ice hockey fans have enjoyed their stay in the middle of Europe since 1988.

Date

The tournament will be played with **arrival Tuesday 30 September to departure Sunday 5 October 2025**. The tournament ends with the award ceremony as part of the Hockey Night on Saturday. Plan your journey and stay in such a way that you can already be in Zell am See for the first games. Each team must be able to play a game on the first day!

By popular demand and the necessary departure times, the tournament ends on Saturday with the **HOCKEY NIGHT** in Kaprun Castle. As part of this event, the award ceremony with the presentation of trophies and medals will take place at 9:00 p.m. and then the exclusive castle party with **an open end**. Various live bands will again accompany us musically on this evening.

The **official castle evening** at the historic Kaprun Castle is an essential part of the tournament with a high organizational and financial effort and is therefore **obligatory for all participants**. Accordingly, the costs for the exclusive castle rental, several live bands, folklore performance, 2 drinks and transfers per player are already included in the entry fee. Since the minimum number of players per team is to be 11 people, this is also the basis of the calculation, regardless of the actual number of people at the award ceremony. If the team consists of more than 11 players, the corresponding additional calculation will take place at the beginning of the tournament at the latest.

For non-ice hockey players, admission to the Hockey Night is € 50 per person.

All participants will have the opportunity to consume their dinner before the bus shuttle transfer to Kaprun Castle starts at 20:00. They will receive the admission wristbands and 2 drink vouchers for the castle at the beginning of the tournament. Late entries are possible at the tournament office.

Tournament Mode

The tournament is played in 4 age groups:

in Group 1: Age 40 and over

in Group 2: Age 50 and over

in Group 3: Age 60 and above
